

What does FSVP Mean for US Importers of Canadian Foods?

FSVP provides modified requirements to US importers when they import food (covered under the FSSRA) from Canadian manufacturers that comply with the Canadian Food Inspection Agency (CFIA). Canada and US have a Food Safety Systems Recognition Arrangement (FSSRA), which applies to Foods regulated by the USA FDA Including:

- Fruit And Vegetables
- Shelled Eggs
- Dairy (Except “Grade A” Milk And Milk Products)
- Fish (Except Farmed Catfish, Catfish Products & Molluscan Shellfish)
- Honey
- Maple
- Processed Products
- Manufactured Foods
